

# Wellington Water Ski Club

4 APRIL 2019

## Tractor Update

The tractor took a trip to the Wairarapa at the beginning of the month. It has had a completely new clutch kit replacement. Please note that the Tractor is not to go out in the water any further than the height of the rear tyre rim (bottom). This should not go out any further to avoid the water getting into the bell housing.

## Club Night

Our April Club Night is **tomorrow (5 April)**. The Club will be putting on Fish and Chips for members at 6pm. All members are encouraged to join us for this event - adults and children welcome. Please text the number of people coming to Diane Eden on 021-1275992. We have some drinks left over from the ski racing for purchase (between \$2-\$5 each).

Last month we had the Harbour Ranger John Tattersall come to talk with us. It was great to hear about our space from the Harbour Masters perspective and be able to share a question/answer session. Thank you for coming along John and thank you to Diane for organising the dinner.

## Ski Racing, Wellington

The Club hosted the NZ Ski Racing in Wellington on 9 and 10 March. The weather wasn't very good and the alternate course at Evan's Bay was used. We would like to thank those that made their boats and themselves available as support boats and the helpers who backed and were rostered on the food sales. We made \$526.18 toward the Clubs fundraising from the event. Feedback received from participants was that it was a successful event and the racers are keen to come back.

## Poker Run – Closing Day, 5 May

The Club's traditional Poker Run has been booked in for our season Closing Day on Sunday 5 May.

**Timing:** 10 - 11:00am (arrival), 11-11:30 (Scrutineering), Poker Run Starts 12:00pm

**Venue:** Wellington Water Ski Club  
Honiara Te Puni Reserve, The Esplanade, Petone

We've organised great prizes for the top winning 'poker hands'. The course will be dependent on the weather on the day. Tickets \$20 per vessel. More details to follow. All queries to Committee Member Aaron Walter, 0272974740
