Tractor Update

The tractor requires some major maintenance and will be away from the Club on Saturday, returning mid-week next week ready in time for the Ski Racing and the end of our season! Thank you for your patience. We'll let you know when it's back.

Ski Racing (9 and 10 March)

We've been in touch with the Racers and are excited about hosting this event:

- Accommodation available at the Clubhouse
- Both Petone and Evans Bay courses available
- BBQ all day breakfast
- Bar on Saturday afternoon/evening - BBQ available
- Boat wash available
- Boat storage at Club
- Gravel ramp will be groomed at Petone
- An indication of number of boats would be appreciated if available.

We do need everyone's support in bringing this event together. If you haven't already been in touch to volunteer for a session/role, please let Club Secretary Diane Eden know if you are available to help and when on 021-1275992 or wellingtonwaterskiclub@gmail.com.

Central Region Update from Ian Bill, President

Hi all, there's been lots happening in the region lately and lots to come. This is a quick update with more to follow.

Jack Silver has been working hard and skiing up a storm. He has broken numerous regional Junior Boys records at various tournaments over the last few weeks. Huge effort and congratulations to Jack for his performances and also to his family for allowing him to attend ski schools and tournaments around the country and allow him to develop into the

talented skier that his is. Jack has been selected for the Oz/Kiwi team to represent us in Myuna Bay, Australia in March.

Congratulations also to Lily Meade upon her selection to the New Zealand team for both Oz/Kiwi and the Oceania's to be held in La Trobe Australia in early March.

A reminder that our next upcoming tournaments are New Plymouth Waterski Club slalom tournament 2-3 March, Central Regionals 16-17 March and Wanganui Club Champs 6-7 April. Details for Regionals and club champs will be sent out shortly.

All the best and see you soon.

Regards, Iain Bill
President
